Dear Dr. McAllister:

I am writing to thank you for your recent donation of $1000.00 in support of the 1990 FASEB summer Research Conference on the Structure and Function of Cell Membranes to be held July 15-20 in Copper Mountain, Colorado. Although you will be receiving a receipt and a letter of thanks from the FASEB office in due course, I wanted to express to you personally my gratitude for your generous support of the efforts of Dr. David D. Thomas and myself to organize a first-rate international conference on this important topic.

Sincerely yours,

Ronald N. McElhaney
